

## SYMCGB PLEDGING METHODS

There are several ways you can set up your pledge to the SYMCGB. Each method has advantages and disadvantages for you and for the Center Finance Department.

- Automatic withdrawal** set-up with your bank is preferred by the Finance Department because it is an easy and reliable process, and there are no finance charges to the center.
- Recurring payment via online banking** is another good option. It is slightly less convenient for the Finance Department, but easy for you to set up and change.
- A monthly check** is fine for the Finance Department, but requires you to remember to write out and mail the check each month.
- Pledge checks** may also be made quarterly or annually, or on another schedule. Please communicate the schedule you prefer to the Finance Department. This method requires you to remember to write out and mail the check according to your schedule.
- Credit cards** are the least reliable option because cards expire and are declined, and it can take the Finance Department months to re-establish the payments. Also, the center is charged a 2-4% fee per payment.

*Please see the other side of this page for the actual pledge form.*

Pledged or donated funds may be used at the discretion and control of the Board of Trustees or the Steering Committee to support the Siddha Yoga Mission, including remitting funds to the SYDA Foundation.
